

## Nature Programs

Butterfly Garden

Up Yonda Farm presents a variety of nature programs and events for schools, groups, and the general public in every season. The Friends will augment these programs and help Up Yonda staff create new ones.

## Hiking Trails

Up Yonda Farm has over 70 acres of marked trails for hiking and snowshoeing. There is a variety of terrain to suit any physical ability.

## Up Yonda Wish List

In keeping with the Friends' primary focus of supporting Up Yonda Farm, we have worked with the Up Yonda staff to develop the following wish list of items they would love to have on hand.

- Field and Nature Guides to supplement the Farm's library
- Reptile Basking Bulbs
- Sacks of Black Oil Sunflower Seeds
- Scientific instruments and equipment (binoculars, magnifying glasses, digital scales)
- Bee Keeping and Maple Syrup supplies
- Trail cameras and set up equipment
- Children's educational supplies and toys
- Weather station
- Aquarium and Terrarium supplies

If you would like to help fund the purchase of any of these items or donate to our future projects, please visit our website to make a secure donation using [PayPal](#).

Or you may mail a check payable to:  
"The Friends of Up Yonda Farm, Inc."  
PO Box 1153  
Bolton Landing, NY 12814

## Who We Are

It's official. A new chapter in Up Yonda history has begun. The Friends of Up Yonda Farm, Inc. is a volunteer organization committed to raising funds to supplement programming at Up Yonda Farm in Bolton Landing, New York. We are a tax exempt, certified Not-for-Profit Corporation with 501c3 status.

## Up Yonda Farm

Up Yonda Farm is an environmental education center located in Bolton Landing, New York. The facility is operated by the Warren County DPW Parks and Recreation Division.

The Farmhouse

## Family Programs

The Friends will join the staff of Up Yonda Farm in sponsoring family events at the Farm.

## Future Projects

A solar project is being considered to help Up Yonda Farm defray electrical costs. The Friends and Up Yonda staff will also sponsor programs to help educate the public about the benefits of solar energy.

The Friends hope to fund a new, improved bee hive demonstration area at Up Yonda to be used in conjunction with educational programs at the Farm.

The Friends hope to create a Monarch Waystation to contribute to Monarch Butterfly conservation.

A new composter will soon be delivered to Up Yonda Farm compliments of The Friends and a very generous donor. This composter will be used to educate visitors, both young and old, about the benefits of composting when gardening

Please visit [www.upyondafriends.org](http://www.upyondafriends.org) for more information about The Friends of Up Yonda Farm, Inc.

## Vistas

The summit of Up Yonda Farm offers a spectacular vista overlooking Lake George. Visitors can enjoy the beauty of the lake while gazing at its many islands and surrounding mountain peaks.

The Friends hope to commission a new interpretive panel to explain the area being viewed from the summit.

A new sightseeing scope and comfortable chairs are envisioned for the summit.
